**Location: Grants Pass Parkway near Rogue River Hwy. (see attached map)**

**Date/Time Reported: June 8th, 2017 at 0042 hrs.**

**Completed by: Det. Lidey**

**Approved by: Lt. Moran**

**\*\*\*UPDATE\*\*\***

## **Deceased:**

Licata, Gabriella      22 year old resident of Gilbert, AZ

## **Narrative:**

On June 8th, 2017 at approximately 12:42 AM, the Grants Pass Department of Public Safety responded to an auto vs. pedestrian crash on the Grants Pass Parkway, near Rogue River Hwy. The pedestrian, Gabriella Licata was pronounced dead at the scene of the crash. Citizens that stopped to assist Gabriella witnessed a light colored sedan leaving the scene as they approached.

Based on witness statements and evidence at the scene, detectives believed they were looking for light colored sedan, possibly a Chevrolet Monte Carlo. At around 8:00 am an alert patrol officer located a vehicle matching the described suspect vehicle parked along Sun Glo Dr. near North Star Dr. Detectives responded to the scene and confirmed the vehicle was involved in the fatal crash. Detectives ultimately contacted a male associated with the vehicle. The vehicle was towed from the roadway and seized as evidence. The male associated with the car is being questioned with potential criminal charges to follow. The investigation is continuing, which will include a crash reconstruction of the crash scene. All evidence that has been and will be collected will be necessary to make the appropriate charging decision. The Grants Pass DPS would like to remind motorists that if you are involved in a crash, you are required to stop, render aid if necessary and exchange information with other involved persons. Anyone with information about case is urged to contact Detectives at 541-450-6260.
